Repeaters

Smaller ships signal orders to the rest of

the fleet. Play on any commander during

the command determination phase. The

selected commander doubles his

Command Radius.

- OR -

Play on a fired ship and allow it to fire

one broadside again at any time.

Local Breezes

Play on any ship when activated and roll a die to determine the radius of the breeze in hexes (0-3: 2 hexes, 4-6: 4 hexes, 7-8: 6 hexes, 9: 8 hexes). Any unit(s) within this radius may modify its movement rate by plus or minus two movement points (up to a maximum of a three-point adjustment).
